Advising Course Plan - Digital Arts Major - Plan for Transfer Students

To successfully complete the Digital Arts major in only two years, the student must have earned credits for:

1. sufficient general education requirements met (not including the Junior Seminar) so that their remaining requirements can be met with only four classes.
2. an equivalent course for either DIGA 101A or DIGA 161A
3. at least two additional DIGA courses.

Third Year		
Fall		**Units**
