

# Advising Course Plan - International Studies Major - 3-Year Plan

This advising plan shows an example of working through the requirements for the major in three years. It is appropriate for students who have already completed eight units of coursework. The student's individual academic plan will be developed in consultation with an adviser and reviewed each semester prior to registering for the next semester. This plan assumes that the student has taken any 100-level (introductory) language courses prior to the first semester shown in the plan. The student MUST begin their second year at or above the 200-level of their studied language.

Courses for the major that should be completed prior to the first semester of this plan: courses needed to be able to take a Language course at the 201L level or higher during the first semester.
