Education

The mission of the Department of Education is to educate teachers and administrators to act as competent, effective, and knowledgeable facilitators of learning disposed to using technology and research practices to enhance K-12 education; to create a community of learners responsive to the developmental and social needs of diverse learners; to respond to those needs; and to advocate for change from the local to the global levels. The Department of Education resides within the Division of Education. The programs offered by the unit meet University requirements for graduation, as well as the certification requirements of the Florida Department of Education.

The Department of Education at Stetson University is accredited by:

Council for the Accreditation of Educator Preparation (CAEP)
1140 19th Street NW, Suite 400
Washington, DC 20036
202-223-0077

This accreditation covers undergraduate preparation programs in elementary education/ESOL K-6, K-12 programs in music, and graduate preparation programs in educational leadership, and educating for social justice. See Graduate Education in the Department of Education (http://catalog.stetson.edu/archived-catalogs/2017-2018/graduate/arts-sciences/graduate-education-education) for detailed information on graduate programs.

Responsibility for education programs within the unit rests with the Chair of the Department of Education. The Undergraduate and Graduate Councils review program requirements, recommend policy and procedures, monitor student progress, and serve as a board of appeal for students seeking exceptions to established policy.

Admittance to undergraduate programs is determined by the Undergraduate Council. The Council considers numerous factors prior to making a determination of admittance. Admission may be contingent upon availability of space within the program. All students should apply for admission at the Undergraduate Education Office during the first semester of their tenure at Stetson.

Admittance to graduate programs of study is determined by the Graduate Admissions Council. A description of graduate programs appears in the graduate section of this Catalog.

More information can be found online at http://www.stetson.edu/academics/programs/education.php.

The Nina B. Hollis Institute for Educational Reform

The Nina B. Hollis Institute at Stetson University, established in 2000, resides within the Department of Education. It serves as a catalyst to improve pre-K-20 education through inquiry, research, and professional practice. Through a network of Professional Development Schools and other networks, the Institute works collaboratively with educators, families, businesses, universities, and policy-makers for the advancement of teaching and learning. Among its goals are developing exemplary practices to maximize student outcomes, providing optimum sites for pre-service teacher training, offering connected in-service teacher professional development, and fostering reflective inquiry to enhance teacher and student learning and development. Through dissemination and consultations, the Institute broadens its reach to positively impact education at the state and national levels.

Undergraduate Degrees and State Certifications

The Department of Education offers state-approved programs in elementary education/ESOL K-6 and K-12 programs in music. The Elementary Education/ESOL K-6 program provides ESOL endorsement, as mandated by the State of Florida.

In addition to its approved certification programs, the Department offers certain courses accepted by the Florida Department of Education for Florida certification. For specific courses, consult with the Office of Undergraduate Education.

Admission Requirements

To be considered for admission to the Education program, a student must:

1. complete an application for admission to a program of study leading to certification;
2. complete a Candidate Acknowledgement of Professional Expectations;
3. present a minimum 2.5 grade point average for all college work taken at Stetson;
4. present a grade of C or higher for the general education Foundations: Writing requirement. If a student is unable to present a grade of C or higher for this course, a grade of C or higher must be presented for an approved English course;
5. present a passing score on all areas of the General Knowledge (GK) Test. If the GK is the only admission criterion not completed, the student may appeal for a one semester extension; the student must pass the GK during the appeal semester;
6. earn a grade of C or better in EDUC 245H, EDUC 255S, EDUC 265, and all other professional education courses;
7. present a minimum 2.5 grade point average in specialization courses (major field of study);
8. complete a successful interview with members of the Undergraduate Council, if a review of performance in foundation courses suggests weaknesses;
9. join Florida Future Educators of America (FFEA) (or, for music students, the American Choral Directors Association, ACDA, or Collegiate National Association for Music Education, or CNAfME);
10. follow the degree audit planner (ALL students MUST meet with their education advisor every semester);
11. obtain a copy of The Undergraduate Student Handbook;
12. purchase a subscription to LiveText (department student management and assessment system).

Note: At any checkpoint within the student’s program, if there is a concern about the student’s appropriate progress, the student may be required to meet with an education faculty committee before continuing in the program. Background checks are required prior to any field placement.

Admission Review by the Undergraduate Council
After considering all of these requirements, the Undergraduate Council will determine whether an individual student will be admitted. The Council may choose not to admit a student based on an interview, even though other requirements have been satisfied. Admission also may be contingent upon availability of space within the program.

Students should apply for admission to Education at the Undergraduate Education Office during the first semester of their first year. Transfer students must apply during the first semester of their residence.

Admission to Student Teaching
Eligibility requirements for student teaching include the following:

1. gain admittance into the Approved Education Program;
2. achieve satisfactory progress in each of the following: Danielson Domains, Reading Competencies, ESOL Domains;
3. meet expectations on Assessment of Professional Expectations;
4. complete the Student Teaching Application;
5. complete the Student Teaching Placement Packet;
6. provide evidence of a passing score on all of the Florida Teacher Certification Examinations (FTCE), Professional Exam, and Subject Area Exam, in teaching major;
7. earn a grade of “C” or better in professional education courses;
8. earn a grade point average of 2.5 or better in major content area and overall;
9. obtain a satisfactory behavior recommendation from the Office of Campus Life at Stetson;
10. pass drug screening and fingerprinting clearance, as required by county school boards.

Exit Requirements
In order to graduate from the University with a degree in elementary education, a student must satisfactorily complete the following requirements:

1. earn a cumulative grade point average of 2.5 or better;
2. earn a grade of C or better in professional education courses;
3. earn a grade point average of 2.5 or better in content teaching area;
4. demonstrate satisfactory performance in each of the following: Danielson Domains, Reading Competencies, ESOL Domains;
5. demonstrate professional dispositions in all coursework and field experiences as outlined by the program;

For information on graduate degrees in Education, see the Graduate Programs/Arts and Sciences (http://catalog.stetson.edu/archived-catalogs/2017-2018/graduate/arts-sciences).

Learning Outcomes
Student learning outcomes describe what students know, understand and are able to do as a result of completing a degree program. The learning outcomes for this program are:

The Educator Accomplished Practices
Each effective educator applies the foundational principles through six Educator Accomplished Practices. Each of the practices is clearly defined to promote a common language and statewide understanding of the expectations for the quality of instruction and professional responsibility.

Quality of Instruction
1. Instructional Design and Lesson Planning. Applying concepts from human development and learning theories, the effective educator consistently:
   • Aligns instruction with state-adopted standards at the appropriate level of rigor
   • Sequences lessons and concepts to ensure coherence and required prior knowledge
• Designs instruction for students to achieve mastery
• Selects appropriate formative assessments to monitor learning
• Uses diagnostic student data to plan lessons
• Develops learning experiences that require students to demonstrate a variety of applicable skills and competencies

2. The Learning Environment. To maintain a student-centered learning environment that is safe, organized, equitable, flexible, inclusive, and collaborative, the effective educator consistently:
• Organizes, allocates, and manages the resources of time, space, and attention
• Manages individual and class behaviors through a well-planned management system
• Conveys high expectations to all students
• Respects students’ cultural linguistic and family background
• Models clear, acceptable oral and written communication skills
• Maintains a climate of openness, inquiry, fairness and support
• Integrates current information and communication technologies
• Adapts the learning environment to accommodate the differing needs and diversity of students
• Utilizes current and emerging assistive technologies that enable students to participate in high-quality communication interactions and achieve their educational goals

3. Instructional Delivery and Facilitation. The effective educator consistently utilizes a deep and comprehensive knowledge of the subject taught to:
• Deliver engaging and challenging lessons
• Deepen and enrich students’ understanding through content area literacy strategies, verbalization of thought, and application of the subject matter
• Identify gaps in students’ subject matter knowledge
• Modify instruction to respond to preconceptions or misconceptions
• Relate and integrate the subject matter with other disciplines and life experiences
• Employ higher-order questioning techniques
• Apply varied instructional strategies and resources, including appropriate technology, to provide comprehensible instruction, and to teach for student understanding
• Differentiate instruction based on an assessment of student learning needs and recognition of individual differences in students
• Support, encourage, and provide immediate and specific feedback to students to promote student achievement
• Utilize student feedback to monitor instructional needs and to adjust instruction

4. Assessment. The effective educator consistently:
• Analyses and applies data from multiple assessments and measures to diagnose students’ learning needs, informs instruction based on those needs, and drives the learning process
• Designs and aligns formative and summative assessments that match learning objectives and lead to mastery
• Uses a variety of assessment tools to monitor student progress, achievement and learning gains;
• Modifies assessments and testing conditions to accommodate learning styles and varying levels of knowledge
• Shares the importance and outcomes of student assessment data with the student and the student’s parent/caregiver(s)
• Applies technology to organize and integrate assessment information

Continuous Improvement, Responsibility, and Ethics

1. Continuous Professional Improvement. The effective educator consistently:
• Designs purposeful professional goals to strengthen the effectiveness of instruction based on students’ needs
• Examines and uses data-informed research to improve instruction and student achievement
• Uses a variety of data, independently, and in collaboration with colleagues, to evaluate learning outcomes, adjust planning and continuously improve the effectiveness of the lessons
• Collaborates with the home, school and larger communities to foster communication and to support student learning and continuous improvement
• Engages in targeted professional growth opportunities and reflective practices
• Implements knowledge and skills learned in professional development in the teaching and learning process

2. Professional Responsibility and Ethical Conduct. Understanding that educators are held to a high moral standard in a community, the effective educator adheres to the Code of Ethics and the Principles of Professional Conduct of the Education Profession of Florida, pursuant to Rules 6A-10.080 and 6A-10.081, F.A.C., and fulfills the expected obligations to students, the public and the education profession.

Minors

Minor in Education - 5 units

The Minor in Education prepares students to understand better the roots of educational issues, such as the purposes of education, the motivational atmosphere in which learning takes place, and areas of difficulty often encountered by students in schools today. This minor is not designed to satisfy the requirements for teacher certification in Florida.

To declare this minor, the student must have an advisor in the Department of Education, in addition to his/her major advisor.

EDUC 402. Educational Procedures and Curriculum for the Gifted. 1 Unit.
Presents curricular material and strategies for gifted and creative students. Learning models in curriculum building are investigated. Attention is given to characteristics, problems and needs of gifted students, including special populations, as they relate to curriculum development. Emphasizes learning styles, self-awareness and motivation plus the development of creative potential. Prerequisites: Recommended but not required: EDUC 401.

EDUC 403. Guidance and Counseling of Gifted Students. 1 Unit.
Studies the theoretical basis of counseling and the special tasks of counseling children identified as gifted as well as their families. Required course for endorsement in Gifted Education.

EDUC 404. Education of Special Populations of Gifted Students. 1 Unit.
Focuses on an overview of theory, research and practical suggestions about education of special populations of gifted students, (e.g., minorities, emotionally handicapped, learning disabled, physically handicapped, sensory handicapped and speech impaired). The aim is to sketch several definitions of giftedness, then to apply these to special populations and apply this knowledge to the classroom.

EDUC 405. Theory and Development of Creativity. 1 Unit.
Examines theory, research and practical suggestions about creativity that are of value to classroom teachers. The aim is to define creativity from various theoretical models, then to survey various instruments to identify and apply this knowledge to the classroom.
EDUC 424. Assessment and Differentiation of Reading Instruction. 1 Unit.
Builds on skills developed in EDUC 314 and EDUC 315 and field experiences in teaching reading and writing to elementary school students. Use of diagnostic prescriptive techniques in identifying and correcting reading problems, along with early intervention strategies. EDUC 321, EDUC 322, EDUC 394, EDUC 424, and EDUC 499 are taken as a block.

EDUC 429. Senior Intern Seminar. 1 Unit.
Uses a general methods seminar to provide a culminating experience for pre-service teachers. Content is based on best practices research in education. Students develop materials and teaching units/projects for implementation in classroom settings. Legal/ethical issues, crisis intervention, and professionalism are addressed. EDUC 429, EDUC 430, and EDUC 474 are taken as a block.

EDUC 430. Student Teaching. 2 Units.
Provides a direct, substantial, and full-day teaching experience for a minimum of 12 weeks in elementary, middle, or secondary schools. Application required one semester in advance of enrolling in EDUC 429, EDUC 430, and EDUC 474. EDUC 429, EDUC 430, and EDUC 474 are taken as a block.

EDUC 474. Educational Management of Exceptional Students. 1 Unit.
Describes methods of classroom organization, behavior management strategies, and collaboration/consultation skills. EDUC 429, EDUC 430, and EDUC 474 are taken as a block.

EDUC 485. Independent Study. 0.5 or 1 Units.
Explores in greater depth aspects of materials treated in basic courses. Projects must be approved by Department Chair.

EDUC 490. Special Topics in Education. 1 Unit.

EDUC 495. Seminars. 0.5 to 1 Units.
Topical seminars concentrating on particular aspects of educational programs.

EDUC 499. Senior Project. 1 Unit.
Engages students, in collaboration with the instructor, in projects that connect educational theory with classroom practice. The outcome should enhance students’ ability to evaluate educational issues in depth and to communicate that knowledge orally and in writing. EDUC 321, EDUC 322, EDUC 394, EDUC 424, and EDUC 499 are taken as a block.
