

Master of Science in Marriage, Couple, and Family Counseling

The MS in Marriage, Couple and Family Counseling is designed to train therapists to work with individuals, couples, families, and groups across the lifespan to serve in community agencies, hospitals, churches, businesses, family treatment centers, and private practice settings. Upon completion of the degree, students are eligible to apply as a Registered Marriage & Family Therapist Intern, leading to state licensure as an LMFT.

A minimum of 60 credits of coursework is required, 51 credits are considered core courses, and 9 credits are earned in practicum and internship. Students must pass the Counselor Preparation Comprehensive Examination and present an academic portfolio of their learning experiences to complete their degree.
