

Advising Course Plan - English Major 2-Year Plan

This advising plan offers an example of working through the ENGL major in two years. It assumes that you have completed your General Education credits elsewhere with the exception of the JSEM. Courses to be completed before coming to Stetson: You should have a 100-level ENGL course as an elective and an 200-level English course which we will count as one of the three Generic and Historical Breadth requirements; you should also have a foreign language through the 102 level.

Courses for the major that should be completed prior to the first semester of this plan: one 100-level ENGL course, one 200-level ENGL course, and foreign language at the 102 level.
