

Advising Course Plan - Psychology Major - Option 3

What follows is an example two-year plan for a 3rd-year transfer student bringing in transfer credit for PSYC 101S, one PSYC Elective, and MATH 125Q. One other PSYC Elective could also be allowed (a maximum of three courses with the PSYC prefix may be transferred into the major). The plan below includes only 1 transferred PSYC Elective. Other plans will work, too. It is critical, however, to have completed both MATH 125Q and PSYC 203 by the end of the first semester you are enrolled at Stetson.

Transfer units applied toward the major (3 units): PSYC 101S, MATH 125Q, and 1 PSYC Elective

Third Year
