The Student Life Fee is used to provide students the opportunity to attend various lectures, musicals, concerts, plays, etc. without charge. It also provides access to use the fitness room, field house, swimming pool, and other health and wellness activities at the Hollis Center.

Orientation Fee

This one-time, mandatory, non-refundable fee covers special services and programs for new students, including fall welcoming activities, the cost of providing meals for new students at events throughout the academic year, information packets, and additional activities during the period of Extended Orientation (August to May).

Enrollment Deposit

Upon notification of acceptance, all admitted students intending to enroll, except auditors, are required to pay an enrollment deposit of \$500. This deposit is due on or before May 1 or within three weeks of notification of admission for those students admitted after May 1. ID cards are issued for new students at the beginning of each semester. These cards are used for meals, cultural credits, student discounts at local vendors, to check out books in the library, to purchase parking decals, in some instances as a declining balance card, and much more. If this card is lost or stolen it must be reported to the Hatter1Card Services Office immediately, located in University Hall, room 142. Meal Plan Selection and Pricing

Stetson University Dining Services knows the hectic life of a college student. It can be difficult to squeeze in a proper meal between classes

and activities, but we're here to help. Our dining locations are near the residence halls and classrooms with hours starting at 7:00 am and as late as 2:00 am. We understand that each student has different needs and eating habits. We have implemented a food nutrition analysis program, are offering more low-fat, vegetarian and vegan meals, created more flexibility with meal plans, and continue to maintain the highest level of quality food and customer service.

Meal Plans

Stetson University Dining Services has several different meal plan options to best fit your dining habits. When choosing your plan, it is important to remember factors like your class schedule and eating habits (especially frequency and quantity). Plans will begin on the first day of classes and will end at final exams in each semester. There will be dates when meal plans are not in effect (nor will you be charged for them), such as holidays, which will be posted at a later date.

- Each meal plan comes with an allotment of **meals** for the week (19, 15, 10). Two unlimited plans and a block plan are also available.
- The week starts on Friday and ends Thursday at midnight; therefore, every Friday morning the plan will reset with the appropriate number of meals.
- Each time a student dines at one of our locations, a meal is deducted from the account.
- Residential dining meals are served with unlimited seconds under an "all-you-care-to-eat" format.
- In the Hat Rack or the Coffee Shop, meal equivalencies are available providing students the opportunity to use meal swipes for selected combos or snack packages. Note: the exclusive unlimited meal plan provides unlimited swipes in the cafeteria only.
- Students have until the published Add/Drop date to change their meal plan.

Resident First Year students and Sophomore students are required to participate in the Dining Service Program. Resident Juniors and Seniors are exempt from the required meal plan.
