

Experiential and Career Development

Empowering Your Journey Towards Professional Success

Welcome to the world of possibilities at Stetson University's Career and Professional Development (CaPD) office! Our mission is to empower and challenge students and alumni to reach their professional aspirations, ensuring that every student achieves success in their chosen path.

Our Vision

Every student achieves professional success.

Our Comprehensive Services and Resources

- Major and Career Guidance

Explore personalized services including individual appointments, personality assessments, and career and major exploration to help you make informed decisions about your academic and professional journey.

- Internship Preparation

Dive into the world of hands-on experience with our internship preparation services, guiding you towards valuable opportunities that align with your goals.

- Job Searching

Equip yourself with the tools and knowledge needed for a successful job search. From resume and cover letter reviews to interview practice, we've got you covered.

- Graduate/Professional School Support

Receive expert guidance in crafting impactful grad school essays and applications, ensuring a smooth transition to advanced education.

Engage With Our Exciting Events

Don't miss out on the dynamic events hosted by CaPD throughout the academic year. From career fairs and networking opportunities to skill-building workshops, our events provide invaluable opportunities to connect with employers and enhance your professional skills.

Embark on Your Discovery Journey with CaPD

For Students in the Discovery Program

At Stetson University, we recognize that your journey may start without a declared major. If you are part of the Discovery Program within Academic Success, Career and Professional Development (CaPD) is here to guide you every step of the way.

CaPD collaborates closely with Academic Success to provide tailored programs and services, enabling you to assess your interests, values,

skills, and strengths. We understand that your path is a blank canvas, and we're here to help you fill it with purpose.

Explore our personalized services designed specifically for Discovery Program participants. From individual appointments and career exploration to specialized guidance on choosing majors and careers, we are committed to providing the resources you need to thrive.
