

Learning Assessment Policy

Stetson University is committed to excellence in all academic programs. The University measures the success of all programs by regularly assessing student performance. While the outcomes of these assessments are primarily for internal use, Stetson University may occasionally report the results of these assessments in published research or academic conferences. These result reports will not include information that could identify the student or the instructor. The use of this information within the institution is part of normal educational practice; however, students may choose **not to allow** data derived from their own work to be used for published reports or presentations by signing an “opt out” form from Institutional Research & Effectiveness (<http://www.stetson.edu/iro/>).
